[REDACTED] both being loaded with lumber in the barracks yard; [REDACTED] loaded with gasoline drums and parked in front of the installation; and [REDACTED] hauling boxes of rations to the billeting area. The service color of the drivers of the first two trucks could not be determined. All other trucks were driven by soldiers with red-bordered black epaulets.

3. About 50 soldiers with red-bordered black epaulets were seen doing maintenance work on motor vehicles in the yard of the Wilhelms Kaserne. In the course of half an hour, one captain, one senior lieutenant and four lieutenants left the installation for the Albrechts Kaserne. Motor vehicles identified at the Wilhelms Kaserne included trucks [REDACTED] and tank trucks [REDACTED]

The tank trucks belonged to a group of about 15 vehicles of this type which were parked in the former riding hall. *

4. About 20 tank trucks were parked in a fuel dump west of the Albrechts Kaserne. Seventeen of them were blocked up under a wooden roof. Tank trucks [REDACTED]
